modern reception

Strawberry Nirvana

Behold this heavenly hybrid of Plymouth gin, Maraschino liqueur and Domaine de Canton ginger liqueur with fresh lemon juice and fresh strawberries.

Sunshine Cocktail

Heat up the party with a tangy treat: Finlandia grapefruit vodka and St-Germain elderflower liqueur with agave syrup and pink grapefruit and lemon juices.

Ultimate Blossom

This refreshing twist on the classic champagne cocktail blends the bubbly with vodka, sweetened passionfruit puree and strawberry puree.

My Big Fat Wedding Punch

This cool quencher melds Tommy Bahama White Sand and Golden Sun rums with Bols orange curacao, grenadine and orange, pineapple and lime juices.

Custom Concoctions

Go beyond martinis and mojitos to come up with an original party drink. Look to your wedding season, locale or colors for inspiration, and consider exotic flavors (agave syrup, ginger liqueur) to make your spirits stand out.
